Tudor Board

1. Tudor board installation

2. Tudor board range

Features

- Made from lead free PVC-UE
- Range of four woodgrain colours
- 10 year guarantee
- Looks like timber

3. Features

Benefits

- Easy installation
- Combines period charm with low maintenance
- No rotting, splitting or warping
- UV Stable
- Environmentally friendly

4. Benefits

The ideal solution for both replacement of decorative timber features on traditional properties and the addition of period charm to newly built homes.

Freefoam Tudor Board is available in four woodgrain colours including Mahogany, Oak, Black and Rosewood creating a traditional look with the low maintenance benefits of PVC-UE.

A 10 year guarantee and built in sun protection provided by market leading Renolit EXOFOL MX foils. This technology reduces heat absorption thus minimising profile temperature and expansion.

The perfect complement to woodgrain fascia, soffit and windows.
